Community Information:

Chisago County Public Input

Public input wanted as County updates Hazard Mitigation Plan. The Federal Disaster Mitigation Act of 2000 requires counties to update their plan every 5 years to maintain eligibility for FEMA's Hazard Mitigation Assistance (HMA) grant programs.

PARENT'S GUIDE TO FENTANYL

There is a significant risk for today's generation because of fentanyl. It is a deadly hidden threat. Fentanyl-laced drugs are extremely dangerous, and the average person is unaware their drugs are laced with fentanyl. Parents, guardians, educators, and anyone responsible for children must rely on drug prevention education to safeguard children and teens from this growing threat.

Parents guide to fentanyl at: www.addicted.org/news/parents-guide-to-fentanyl/

COMPOST SITE:

The compost site is available to City residents only and is located on Park Trail (County Road 12) just north of the County Public Works buildings. Please note: the site is for leaves, mulch, and brush only. NOTHING over 3" in diameter. Stop in at City Hall for a permit and lock code. Please remember to relock the gate when leaving.

WATER USAGE:

Due to the lack of rainfall water usage has been extremely high.

PLEASE consider reducing where and whenever possible.

TIP: Only water lawns if absolutely necessary and do so in the evening or early morning.

Thanks!

City Hall can now process payment by credit card on site using the Square Terminal. Please be aware that processing fees will be applied and paid by the card holder.
